The [redacted] Family

Here is a list of Something that our family would like to have for Christmas.

1st of all We would want the Sm. Children to have a Great Christmas, they really need it this year, I'm sure they are missing so much and Jasa ground we can make do, as long as ~~long as~~ Our Children are happy

age 58 2nd Buddy - Father of our home He said that if he could get some very Big trees removed that would be great. As his wife, if that can't happen he could use a pair of dress shoes/ Black size 8½-9

age 30 3rd Thad - He wants a Boat ~~of~~ Lega size copy paper and some Color Card Stock to use for making greeting cards. He also likes to Smell the pleasant aroma from Candles or oil for a lamp Bess lamp

age 28 Don - He wants world piece and happness. To stay well and healthy. He has a mild to Bad Case of Psoriasis and the Ins. Co. Stop paying for his Med's and it's not Cheap without Ins.
He also likes to wear Bed Rm. Slippe size men 10 or the socb slipper with grpes on the Bottom Size 10/1

age 52 Dori - I want to See everyone around me happy on Christmas day. I'm planning on doing my part 10X. So it would make me happy to be able to help with Santa + all his helpers, pleas call me at [redacted]
Something for me: I had a large collection of Coob Books that I lost I had over 500 Books, some hard covers + some Soft. I would like to start that up again. I also make Jewelry of all kinds and I do make Rosarey, so I want to start again (It is good Therapy for me)

Family – This would be only as a family gift for all of us and NOTHING else that was listed as individual gifts.
We lost 95% of everything so the 5% is thing that we dug out and tryed to clean them to save. So out of that 5% we only saved 2% and

1) Sm. 35mm Camera/camcorder all in 1
2) Sm Colored TV for the Camper
3) DVD or CD player to listen to music
4) Slow Cooker or pots, Dishes, Silverware anything for the Kitchen.

At this time we are using paper & plastic goods to eat with, But one day when we get our home again we will be eating out of dishes and cooking out of pots that the inside haven't coming out of.

Santa please don't take me wrong By listing so many things, I just wanted you to have a good list of our family needs & Wants But Remember We will be happy just to help you With this project to See

other familys happy with Small Children? As you see here we are all Adult.

We will be moving in the near future to a Fema Camper next to Our House on Bloom Pl. in Waveland.

May God Bless you and all your Helper. Thank you.
